

Haptics Breakout Board V1.0

Features

- ◆ Equipped with 4 piezo actuators M1
- ◆ For easy integration in 7" display kit
- ◆ Suitable for a broad bandwidth of display sizes
- ◆ For use with haptics controller Gen.5

Technical data

Parameter	Value
Mechanical dimensions	166 x 100 x 14 mm
Mounting holes	3,2mm
Weight	76 g
Connector types:	Pin header 2,54 mm or Molex 532610471
Operating temperature	-20 °C ... +70 °C
Storage temperature	-30 °C ... +85 °C
